

China Everbright Ltd. Wins 5 Awards in the 27th International Annual Report Competition (ARC) Awards

7 August, 2013 – China Everbright Limited (CEL, stock code: 165.HK) - Annual Report 2012 has captured 5 Awards of 2 GOLD, 1 SILVER, 1 BRONZE & 1 HONORS in the 27th International ARC Awards 2013 among 2,260 entries from 34 countries.

Known to be “The Academy Awards of Annual Reports”, the International ARC Awards is organized by MerComm Inc. in the U.S., and is currently the largest international competition for annual reports. The judging panel includes leaders in the field of investor relations, writing, design and photography.

With its sharp and impressive cover design of a theme – “Ready for the Right Moment” enhanced by special printing effects; a bright color contrast interior design; and a well-structured layout and typesetting, Annual Report 2012 of CEL received high compliments and recognition from the judges. Moreover, as one of the highest ranking annual reports, CEL is competing with 5 other companies for the “Best of Hong Kong” Award.

Here are the details of the winning achievements:

Sector	Category	Award
Banking and Financial Services: Hong Kong/PRC	Interior Design	GOLD
Financial Services: General	Interior Design	GOLD
Financial Services: General	Printing & Production	SILVER
Banking and Financial Services	Printing & Production	BRONZE
Financial Services: General	Traditional Annual Report	HONORS
