About Directors Of The Year Awards

First launched in 2001, Directors of The Year Awards were the first ever such Awards organised in Asia. The project has now become an annual project of impact in the community. The objectives are to recognise directors and board of directors for outstanding director practices and corporate governance, to publicise the significance of good corporate governance and to promote awareness of good corporate governance and director professionalism in Hong Kong. Nominations are open to the public. As good corporate governance is vital to all types of organisations, and professional director practices are encouraged from directors in all board roles, the Awards recognise excellence in categories by company types, including listed companies, private companies and statutory/non-profit-distributing organisations, and categories by roles, including Executive Directors, Non-Executive Directors and Boards.
