

China Everbright Limited's 2014 Annual Report Wins 2 Silver Awards in Financial Category of LACP Vision Awards

30 July 2015 – China Everbright Limited (“CEL”, stock code: 165.HK) is delighted to announce that its Annual Report 2014 has won 2 Silver Awards in “Diversified Services” and “Capital Market” under Financial Category of the 2014 LACP Vision Awards.

LACP Vision Awards is one of the most recognised international annual report competitions. The award winners selected by the judging panel are based on criteria such as design, layout and content quality of the annual reports. This year’s competition received nearly 1,000 entries from organisations of 25 countries around the world, the largest number of submissions ever, which made the competition exceptionally tough. CEL’s 2014 Annual Report has a creative and energetic cover design themed “Dynamic Growth and Excellence”, with special printing effects and a well-structured layout and typesetting, it has received high compliments and recognition from the judges.
