

China Everbright Limited Attains the Honour of “Manpower Developer”

20 May 2016 - **China Everbright Limited** (“CEL”, stock code: 165.HK) recently awarded “Manpower Developer” by Employees Retraining Board (ERB). ERB Manpower Developer Award Scheme aims to promote and cultivate a corporate culture focusing on manpower training development, and acknowledge organizations that have demonstrated outstanding accomplishments in the area of employee’s training and development.

We truly believe that employees are our most important and valuable assets. We expect to grow together with our employees. We are committed to encouraging and motivating our staff for continuous self-development. In order to enhance our employees’ professional knowledge and skills, and fulfill their career aspirations, we have developed a comprehensive and systematic training framework for our staff members.
