

## China Everbright Limited Attains "2015/16 Family-Friendly Employers"

28 October 2016 - **China Everbright Limited** ("CEL"; Stock Code: 165.HK) received the honour of "**2015/16 Family-Friendly Employers**" presented by Home Affairs Bureau and Family Council, in recognition of CEL's commitment and dedication to promote family-friendly policies and practices. In recent years, the Company has received external recognition for its long-standing devotion to work-life balance promotion in the workplace.

"Family-Friendly Employers Award Scheme" aims to raise the awareness of the employers of the importance of family core values, and to foster a pro-family culture and environment. Besides, it gives recognition to employers that demonstrate a family-friendly spirit and encourage them to implement family-friendly employment policies and practices.

Since 2015, CEL sets September as the Company's "Work-life Balance Month". The Company has organized a variety of programmes including indoor cycling training, yoga workshop, massage, film appreciation gathering, stress and emotion management seminar, wine tasting and food pairing class, professional image and business etiquette training to meet different needs of our employees and strive to encourage our staff to achieve a work-life balance.

After attaining the honours of "Happy Company", "Manpower Developer" and "Employer of Choice Award", this honour recognised CEL's efforts in caring for its employees and their personal development.
